

River Valley Hygiene Study Club

Our Dental Hygiene study club is an interactive group with a professional dynamic to maintain the highest degree of skills used as a dental hygienist in the 21st century. It is quite clear the role hygienists hold in the dental practice is not the same as it was 5 or even 10 years ago. Our club offers current, innovative, and engaging subjects to fit the needs of the 2015 dental hygienist.

Our evening sessions meet 4 times per year. This affords all continuing education credits required by the State of Connecticut to maintain Dental Hygiene licensure. Presentations include dinner and 2 hours of lecture.

Our programs are scheduled:

October 21, 2015

February 24, 2016

March 23, 2016

May 18, 2016

This club is open to **all** Registered Dental Hygienists. Please send an e-mail to kimrvsc@gmail.com or call (860) 444-0601 for enrollment information.

Kim Twomey, RDH, LMT
Study Club Coordinator
